

To Whom it May Concern,

As a part of the MTO requirements for new applicants to become licensed Driving Instructors in the province of Ontario, all applicants are required directly by the MTO to obtain a vulnerable sector check and mail it to the MTO for processing. This requirement is clearly stated in the Driving Instructor Kit each applicant receives from a Drivetest center, as well as <https://drivetest.ca/licences/driving-instructors.html>

This is required in addition to attendance in our college classes.

If you have any questions please feel free to contact the office at: 705-868-0806
